American Family:
A Catholic Perspective*

we must rediscover the spirit...
which refuses to be destroyed in
the face of even the most
oppressive forces affecting
society.

1. *Flesh of my Flesh: Fundamental Principles of Sacramental Marriage* - Discover the intimate relationship of husbands and wives as a reflection of the intimacy between sacramental marriage and the Eucharist. Examine common expressions of disordered “self-centeredness” that challenge and hinder authentic marital expression.
2. *The Family as Domestic Church* - Learn how the Catholic family under the spiritual leadership of the father is a sacred sign and living sacrament of Christ’s love for his Church. Discover how the grace received in the sacrament of the Eucharist deepens and strengthens both parents and children on their journey toward heaven. Learn key tools to raise holy, faith-filled children in the culture of death surrounding us.
3. *Catholic Families: Building a Civilization of Love and Life* - Learn key elements of building lasting relationships. Discover practical ideas to foster and encourage better spousal communication. Learn how to spot and overcome danger signs and how to open a “spiritual toolbox” to foster a deeper, richer spirituality within marriage.
